#### Business description

Cargo Service Center India Private Limited (CSC India) is a premier air cargo handling company, a leading provider of airport ground handling in India, with more than two decades of industry experience. Our team of skilled field personnel and industry experts is committed to delivering dependable and efficient services. We have a strong presence in India's major commercial hubs, with a network that now spans five cities: Delhi, Mumbai, Ahmedabad, Kannur, and Cochin. This allows us to offer reliable domestic and international air connections to our clients. Our comprehensive air cargo handling services include physical cargo handling, documentation and clearance, cargo screening and storage, as well as specialized and customized services for airlines.

#### Highlights:

- 2200+ employees across our network of airport warehouse
- 500+ customers trust us to deliver their goods on time.
- 8,50,000 tons general cargo handled per year.
- 200,000 sq.mtr total warehouse area across five airports
- 12,000 sq.mtr cold storage area across three airports
- 150,000+ tons PTSP handled per year.
