

World-Class Air Cargo Hubs

The Significance of Collaboration

ASA

AIRPORT SERVICES ASSOCIATION

Astana, 20 June 2024

Fabio Gamba – DG

ASA

AIRPORT SERVICES ASSOCIATION

Every flight starts on the ground

ASA is the global trade association for ALL Aviation Service Providers:
Ground Handlers, Cargo, Fueling, MRO ...

www.asaworld.aero

ASA Membership – A Global Presence

What Makes a Great Air Cargo Hub?

- ❖ Location & global connectivity
- ❖ Facilities & infrastructure
- ❖ Skilled workforce
- ❖ Operational efficiency & quality
- ❖ Technology & innovation
- ❖ Sustainability

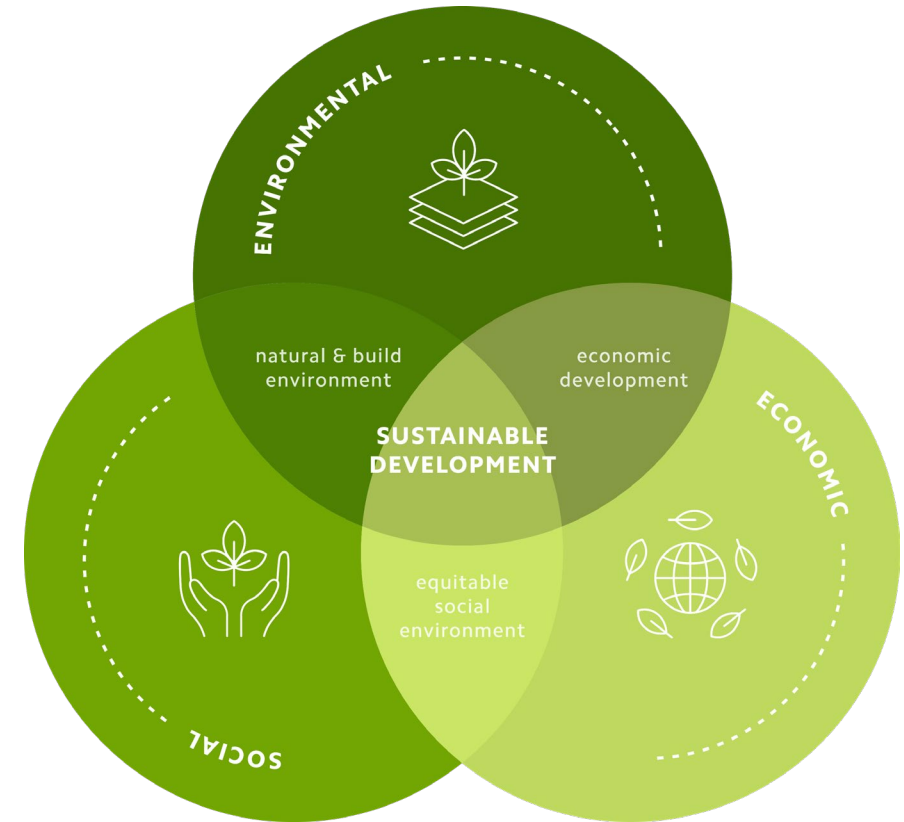

About Sustainability...

- Green initiatives & reduced carbon footprint
- Energy-efficient equipment and facilities
- Waste management and recycling programs

- Economic Sustainability

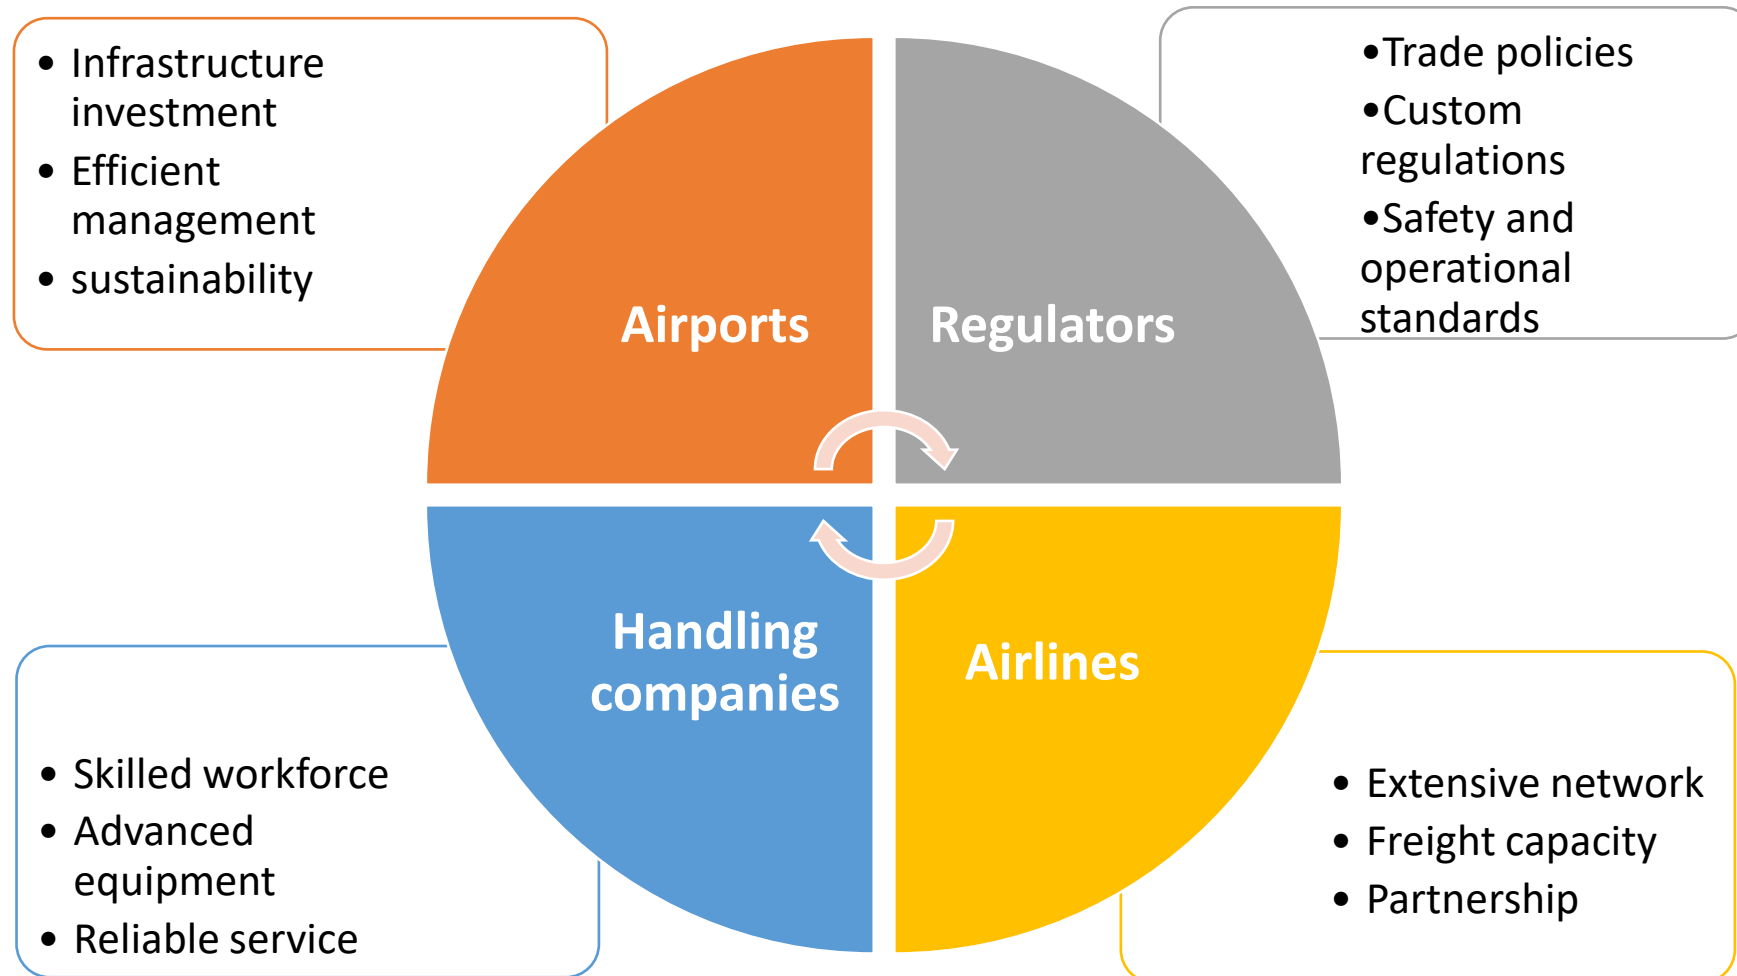

- Continued investments are needed

- ***No Room for a Race to the Bottom !!***

What do We Need?

Cooperation, fair competition and standards

- ✓ Strong GHAs allowing to compete fairly
- ✓ Licenses that allow decent return on investment
- ✓ Widely recognised and universally applied operational standards
