

Industry Regulatory Framework

Glyn Hughes
TIACA Director General

- Liberalized air cargo services
 - 5th / 7th freedom to support efficient operations
 - Open ground handling options
- Pre-Loading Advance Cargo Information (PLACI)
- Paperless Borders
- Cargo friendly night operations
- Workable *de minimis* level

What is the status of current PLACI initiatives?

- June 2018: implementation
- June 2019: enforcement

- March 2021: Release 1 (Express + Posts)
- March-Oct 2023: Release 2 (all Air Cargo + Mail)

- June 2023: draft regulation
- Nov 2024: entry into force and final implementation

Development phase:

- April 2020: initial pilot
- 2023: upscaling to enable full end-to-end messaging capabilities

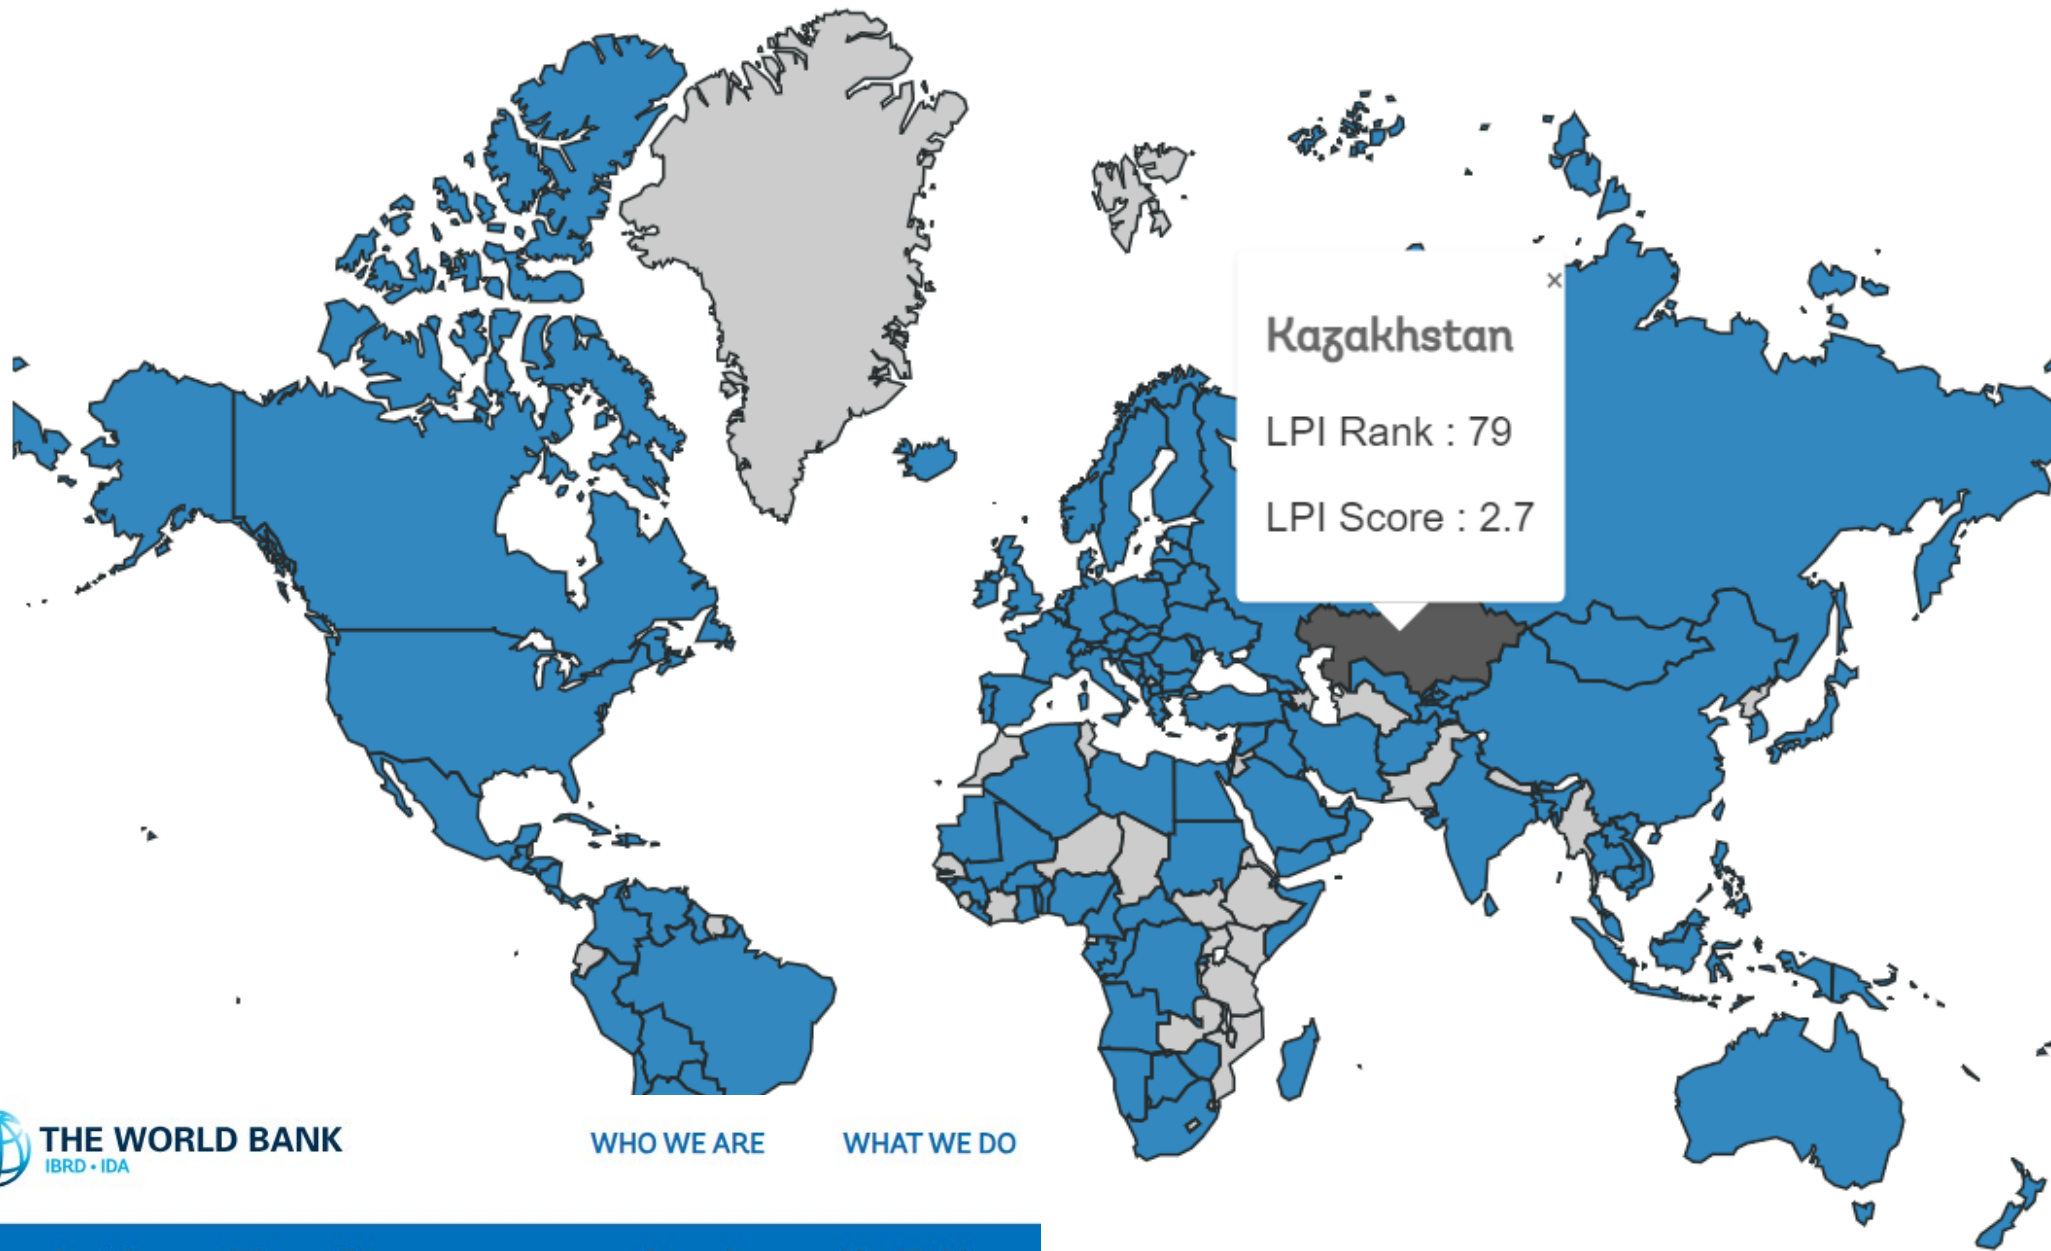

- 2018-2019: legislation passed
- Phase 1: before departure
- Phase 2: before loading

Other governments are expected to follow similar initiatives

- ❑ Safety and security
 - ❑ ACC3 compliance – EU cargo screening
 - ❑ Regulated Agent Program (ICAO)
 - ❑ Authorized Economic Operator (WCO)
 - ❑ Consignment Security Declaration (eCSD)

- ❑ ICAO standards DGR
